Own Damage

- Take immediate action to safeguard and protect property from further damage or deterioration.
- Enlist help (professional if necessary) if immediately required to safeguard / protect craft and equipment. Try to agree a realistic charge or fee if a tow is required before acceptance.
- Retain and look after all broken/torn/damaged items for inspection.

Damaged by Third Party

- If racing, protest the Third Party if they did not accept a penalty. Obtain witness statements.
- Obtain details of boat type/class/number/name/club and any witnesses details in addition to name & address, of helm & boat owner.
- Road Accidents – Obtain details of driver & insurer and any witnesses, or call the police to the scene.
- Jot down all details while fresh in mind and a sketch of the site.

Damage to Third Parties

- If a third party wishes to hold you liable for damage (alleged to be your fault) provide them with your insurers details, your name, policy number, boat type/class and boat name/number.
- Do not make any admission of liability.

Theft / Vandalism

- Any theft or malicious damage should be reported to the Police promptly.
- Keep a note of the Police Crime Reference Number.
- We will also need the serial numbers of any engines, tenders etc.
- Notify your club, local harbourmaster etc with full details of the theft / vandalism.

Repairs & Replacements

- Quotations/estimates may be obtained straight away but do not proceed with the repair(s) / replacements until the claim form has been submitted and /or the claim has been approved by us.
- Please send photographs of any damage and quotations/estimates to claims@craftinsure.com quoting your claim number, name and policy number. These are emailed to you when you submit your claim.
- We may require more than one quotation/estimate.
- We may appoint a surveyor to inspect the damage and investigate the cause.
